

Food Distribution Industry

Our case sealers and stretch wrappers can automatically seal your boxes and wrap your pallets to streamline your shipping process. Our stretch film and shrink film perfectly wrap and protect your food packaging.

WHY CHOOSE DOVERCO FOR YOUR OPERATIONS?

Today's leaders of food distribution are visionaries, pioneering efficient methods to integrate operations of warehousing and transportation services while implementing new ways to maximize productivity, create cost savings and eliminate damage in transit.

At Doverco, we can help reduce your overall packaging costs from the machinery used to package your products, the materials used in shipping, the replenishment of your supplies to special packaging needs.

Improve productivity, reduce cost, and minimize rejects in your operations.

We deliver proven value. We can help you unlock the hidden profitability in your operations. We've done it for more than 1500 businesses. We can do it for you too.

CASE SEALING

Less tape. More throughput in your case sealing.

MOBILE STRETCH WRAPPING

Wrap palletized loads of any size, shape or weight.

TURNTABLE STRETCH WRAPPING

Wrap safe-to-ship loads. Perfect containment force.

ROTARY RING STRETCH WRAPPING

Virtually unlimited wrapping patterns.

SHRINK AND STRETCH WRAP FILM

More loads. Better yield.

Enabling Custom Solutions

Solutions for better costs and productivity

No matter your industry Doverco packaging solutions could be combined with automatic inventory restocking, order management solutions and preventive maintenance programs to improve your operational efficiency.

Inventory Management Program

Get packaging supplies at your location on consignment. Replenish your packaging supplies on an agreed time cycle. Smooth your budget in line with your consumption.

Core Advantage Program

Customize your online ordering in your organization with, or without pricing shown. Get a requisition system to control costs that can funnel all requests to an authorizer. Control and track your expenses in the way that suits your business model.

Preventive Maintenance Program

Reduce machine downtime. Prevent unexpected machine breakdowns. Minimize unnecessary machine repair costs. Maximize your equipment's resale value. Get preferred rental and loan rates.

720° Analysis

An in depth packaging performance and purchasing pattern study
