

General Distribution Industry

Our protective packaging systems protect your products. Our case coders efficiently print and code on your boxes. Our stretch wrappers can automatically wrap your pallets to streamline your shipping process.

WHY CHOOSE DOVERCO FOR YOUR OPERATIONS?

Today's leaders of general distribution are visionaries, pioneering efficient methods to integrate operations of warehousing and transportation services while implementing new ways to maximize productivity, create cost savings and eliminate damage in transit.

At Doverco, we can help reduce your overall packaging costs from the machinery used to package your products, the materials used in shipping, the replenishment of your supplies to special packaging needs.

Improve productivity, reduce cost, and minimize rejects in your operations.

We deliver proven value. We can help you unlock the hidden profitability in your operations. We've done it for more than 1500 businesses. We can do it for you too.

PACKAGING TAPE

The tape that provides the box sealing security you need.

PROTECTIVE PACKAGING

Cushion your product and limit shifting during transport.

STRETCH WRAP FILM

More loads. Better yield.

CASE CODING

100% readable and GS1 compliant codes.

STRETCH WRAPPING

Wrap safe-to-ship loads. Perfect containment force.

Enabling Custom Solutions

Solutions for better costs and productivity

No matter your industry Doverco packaging solutions could be combined with automatic inventory restocking, order management solutions and preventive maintenance programs to improve your operational efficiency.

Inventory Management Program

Get packaging supplies at your location on consignment. Replenish your packaging supplies on an agreed time cycle. Smooth your budget in line with your consumption.

Core Advantage Program

Customize your online ordering in your organization with, or without pricing shown. Get a requisition system to control costs that can funnel all requests to an authorizer. Control and track your expenses in the way that suits your business model.

Preventive Maintenance Program

Reduce machine downtime. Prevent unexpected machine breakdowns. Minimize unnecessary machine repair costs. Maximize your equipment's resale value. Get preferred rental and loan rates.

720° Analysis

An in depth packaging performance and purchasing pattern study
