

**DOVERCO**  
Strategic. Packaging.

# Industrial

Our printers and coders can code your products and boxes. Our protective packaging systems protect your products. Our stretch wrappers can automatically wrap your pallets to streamline your shipping process.

## WHY CHOOSE DOVERCO FOR YOUR OPERATIONS?

**Today's industrial leaders are visionaries, pioneering efficient methods to integrate operations of warehousing and transportation** services while implementing new ways to maximize productivity, create cost savings and minimize product damage.

**At Doverco, we can help reduce your overall packaging costs** from the machinery used to package your products, the materials used in shipping, the replenishment of your supplies to special packaging needs.

**Improve productivity, reduce cost, and minimize rejects in your operations.**

We deliver proven value. We can help you unlock the hidden profitability in your operations. We've done it for more than 1500 businesses. We can do it for you too.

## PRODUCT CODING

The code you want to ensure safety and traceability.

## PACKAGING TAPE

The tape that provides the box sealing security you need.

## CASE SEALING

Less tape. More throughput in your case sealing.

## CASE CODING

100% readable and GS1 compliant codes.

## STRETCH WRAPPING

Wrap safe-to-ship loads. Perfect containment force.

# Enabling Custom Solutions

## Solutions for better costs and productivity

No matter your industry Doverco packaging solutions could be combined with automatic inventory restocking, order management solutions and preventive maintenance programs to improve your operational efficiency.

### **Inventory Management Program**

Get packaging supplies at your location on consignment. Replenish your packaging supplies on an agreed time cycle. Smooth your budget in line with your consumption.

### **Core Advantage Program**

Customize your online ordering in your organization with, or without pricing shown. Get a requisition system to control costs that can funnel all requests to an authorizer. Control and track your expenses in the way that suits your business model.

### **Preventive Maintenance Program**

Reduce machine downtime. Prevent unexpected machine breakdowns. Minimize unnecessary machine repair costs. Maximize your equipment's resale value. Get preferred rental and loan rates.

## **720° Analysis**

An in depth packaging performance and purchasing pattern study
